

# What does a 4Kids Mentor do?

Vibrant mentors are the Lifeblood of our ministry. Being a Community Net for every kid in the school is the Vision of the 4Kids team. That takes people — people committed to Love and Good Works. Just like you, we want every child to know and reach all of their Potential! They are incredible, but often don't know it. Many have believed a lie, *and given up*. They say they feel worthless, and they're stuck. Many don't know they are God's Unique Creation destined for Purpose.

So, as Mentors we seek to bring turn around — to impart Hope and Love. We want every person to know they are *inherently Valuable*, with *unlimited Potential* to respond to the dream planted in their heart! This is the Life, Liberty and Happiness they are created to discover. The way we say it is, “You are made for a special Purpose that only you can fulfill. Let's believe in that together and become our Best Selves!”

We need them and they need us! That is the way the world works. Without them their unique destiny of Purpose is unfulfilled. It is a mentor's job to change their story. To invite them to see a Better Ending and choose a Higher Path! With True North Thinking (TNT) everyone can know how to take next steps in their Life journey.

## Roles and Responsibilities

On site, Mentors fit into one of three main areas, academic tutoring, mentoring in Leadership Academy or helping in an extracurricular activity. In the first two, mentors make a once-a-week commitment. It only takes an hour *and it can and does change lives — literally!* We have testimonies of so many kids who've shared how they've developed life-changing habits and thought patterns. Now they know they are capable of being People living on Purpose, toward the goal of Peace and Prosperity. Other opportunities present themselves throughout the year. It may be helping with a special field trip or a meal. It could be an Achiever's Project or something connected to a fun event. The best thing is to be open-minded and see where your talents, time and our needs mesh! And don't forget, we need you off-site too. Prayers and administrative helpers can always find a niche. You can play a part, **You are who we need!**

## How does a mentor get started?

We have started our work in the schools for 2022-2023 year! If you would like more information, we'd love to help. Please call or email our Team Coordinator, Diana Smith (859-576-5025), [dsmith@gmail.com](mailto:dsmith@gmail.com) and she'll get back to you as soon as possible to talk through the logistics! You can visit a class or attend an informational meeting to be included. Alternatively, you can [request a contact or information from the website!](#)

## Mentors Matter

We are made for relationship! First with God and then with each other! Come and join us and let's Model the Message, Melding together we'll be a community of Love! That's the M&M Challenge we give the kids. The job is ours to do first.

**See it. Be it. Live ELGLBHAV!**
