

Our mission is to empower kids to *Be Leaders or 'Positive Influencers' in the world.* They are learning to love all people with a brotherly love and to build our community into a safe place for everyone to live.

Believing kids are the promise of a bright tomorrow our aim is for each child to gain:

- 1. Mindset of Hope.**
- 2. The Grit and Determination for successful goal attainment.**
- 3. Habits for Thriving in an intercultural global community.**

Each week you'll find the weekly Learning Targets posted here. We encourage you to ask your student about what they have learned. You might challenge them to think about the key questions which are geared toward self-development The 'heart of the lesson' is not seen by the students but is used to help our team develop a common mindset.

Together we can be the support system for our children to rise above hate and division becoming a community gathered in our diversity to build a world where peace and prosperity are the experience of all!
